March 2022 - June 2022

Education

2015 - 2020

National Ribat University

Computer Science

With a solid foundation in Computer Science, I excel in programming principles, algorithms, and

data structures. My expertise includes software development, database management, and system design.

Skills

- Python Programming
- JavaScript
- Django
- ExpressJS
- Containerization
- Front-End Development
- RESTfulAPI
- Version Control
- Database Design
- System Design
- Agile Methodologies
- Collaboration & Teamwork
- Payment Gateways
- SQL
- PostgreSQL
- MangoDB

Languages

- Arabic — Native or Bilingual
- English — Professional
